Classrooms Alive!™

The Magical, Zoo-Themed Learning Experience

For Pre-K & K

PowerUp EDU

TECH & LEARNING BEST of SHOW AT ISTE 2019 WINNER

What is Classrooms alive™?

Imagine engaging your students with 26 zoo animals that spring to life in 3D! *Classrooms alive!* allows you to create a magical, zoo-themed learning experience with a full suite of our early learning products. Our zoo animals interact with your students as they learn the foundations for reading and math. This ties in an element of science as the kids go on an imaginative zoo adventure!

Includes:

- **Learning alive™ Plus** Interactive Reading and Math software kit
- **Alphabet Classroom Rug** 12' x 7'6" Oval Rug with Rugs alive™ mobile app
- **My Letters alive® Journals** 20 pack with Journals alive™ mobile app
- **My Math alive® Journals** 20 pack with Journals alive™ mobile app
- **Zoo Keeper Lesson Plans™** Full year of Supplemental Curricululm
- **Assessments for Guiding Instruction** 60-day trial to ESGI

Amplify Childhood Literacy
