

TRANSFORMATIONAL LEARNING SPACES

PowerUp EDU

“Shift the Paradigm” Create a Transformational Learning Environment

PowerUpEDU, in collaborative partnership with visionary district and school leadership, is transforming educational spaces into amazing learning environments equipped with highly functional furnishings, new technology, and a strong pedagogical approach that supports active and innovative learning.

The New Learning Environments empower teachers and students for a transition to a non-linear transfer of information, “shifting the paradigm”, allowing for a more natural and impactful flow of information.
